

## Membership Class

In our Membership Class we will explain the scriptural and secular reasons why we have church membership. You will discover the

Biblical aspects as to why we do ministry the way we do and how you can share as a vital part in the responsibilities and privileges of our mission. This is a "no strings attached" class. You can come and discover what we are about and then prayerfully decide if you want to join us. You are welcome to stay whether you choose to become a member or not.
