

You’ve got to get Connected to Our Father

To be Spiritually connected means it’s like ...

1. Being built into a building. Ephesians 2:22

So what does it mean to be spiritually connected?

That we lean on each other,

that we help each other,

that we support each other when things are going wrong.

2. Being joined into a body.

Romans 12

Even if you are the smallest member of the body of Christ - never confuse prominence with significance.

Colossians 2:19

3. Being attached to a vine.

John chapters 14, 15 & 16

When you are connected to Christ you will produce fruit.

Galatians 5:22-23

4. Being born into a family.

Jesus says there is a WRONG way to pray: **Matthew 6:5-8**

Jesus said *First* pray like this v9: OUR FATHER

1 Timothy 3:15

John 3:16 *and* 1John 3:16

Personally: Father, here is my heart, lets connect!
